

PAYING BY CREDIT CARD VIA PAYPAL

There are three separate steps for paying by Credit Card via PayPal. Each of the menus have PayPal logos, which is confusing, but will lead you to payment by major credit card.

Once you fill out the COMW registration form, on which you should have indicated payment by PayPal/Credit Card, it should bring you to this menu:

THIRD MENU

The image shows a PayPal payment form. At the top, the PayPal logo is on the left and a shopping cart icon with "\$25.00 USD" is on the right. Below this is the heading "Pay with debit or credit card" and a note: "We don't share your financial details with the merchant." The form contains several input fields: "Country/Region" (United States), "Email" (b2marketing.barb@gmail.com), "Phone type" (Mobile) and "Phone number" (+1). Below these are icons for Mastercard, American Express, VISA, and Discover. A large red arrow points to the "number" field. Other fields include "MM / YY", "CVV", and "Billing address" (First name: Barbara, Last name: McGowan, Street address, Apt., ste., bldg. (optional), City, State). At the bottom, the word "Complete" is written in red, followed by "Credit Card payment info" in red.

If you aren't able to complete these three steps, there is probably some other issue at hand. In that case, we recommend paying by check or money order.
